

Come Hang Out!

Join our PreSchool class for an hour and explore Rivermont!

Children ages 2-4 and an accompanying adult are invited to Rivermont's Young Scholar days. Join the PreSchool class for "free play" exploration in the classroom (puzzles, Lego table, sand, and more!) and meet the Rivermont PreSchool teacher. Please note: format of these events has changed, featuring "free play" instead of stories and crafts.
